Insurance Continuing Education

Washington State requires 24 hours of continuing Education every 2 years with 3 of those hours in ethics. We have a variety of courses available with varying credit hours. You may complete your Continuing Education in the comfort of your own home or office by using our open-book, multiple-choice, at home textbook courses (please return the books), or we offer downloadable PDF courses available through our website. You may choose any of the courses offered, regardless of the lines on your license, as long as you meet the full total of required hours. The PDF courses are also available in a hard copy at the book rates.

Package Prices are for any combination of the physical books and include mailing costs.

Add \$15.00 for Priority Mailing	\$100 for any combination of 13 - 24 credit hours ordered at the same time	\$90 for any combination of 7 - 12 credit hours ordered at the same time	\$70 for any combination of 1 - 6 credit hours ordered at the same time
----------------------------------------	-----------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------

The costs for the online PDF courses range from \$20-\$60. Printed versions available at the book rates.

Please see our website for the exact prices for each of the the download or online courses.

The course books will be mailed out when the order is received.
